Regulatory Changes to Soil Relocation in BC

The BC Ministry of Environment and Climate Change Strategy has approved significant new requirements to the movement of soil in BC. The changes to soil relocation, including amendments to the Contaminated Sites Regulation, come into effect

March 1, 2023.

Join Consultants, Shane Roberts & Keith Miller as they discuss and address these new regulatory changes and how it may impact your projects moving forward.

Following their presentation, Shane and Keith will host a Q&A period to address your concerns and queries. Please allow 30 to 45 minutes to attend.
